

Group Coordinator Information Pack

Thank you for your interest in volunteering for Heart of Indiana United Way's Day of Action on September 9, 2022! Here's a snapshot of the day, so you can plan and recruit your fellow volunteers from your place of business.

Day of Action Volunteers can expect to:

- ✓ Learn about the mission and work of the host organization, and the needs of our community.
- ✓ Have a great time with others while helping out a deserving organization.
- ✓ Have a great team-building experience.
- ✓ Feel great about the work they've done!

Based on your responses to the group volunteer sign up form, your company's volunteers will be assigned to a non-profit site. You will receive information on your non-profit site and project assignment, and whether lunch will be provided. If you choose to receive LIVE UNITED shirts, they will be delivered in advance of the day.

THANK YOU!
