

# LET'S TALK, READ AND SING ABOUT CARING FOR THE EARTH

## BOOK AND VIDEO RECOMMENDATIONS FOR YOUNG CHILDREN

### BOOKS

#### The Curious Garden

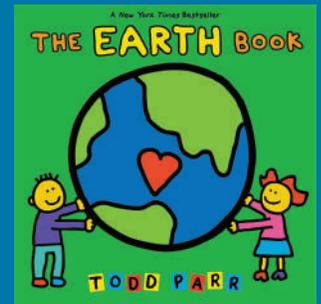

By: Peter Brown

Liam lives in a dull, gray city. One day, as he's walking, he finds a small garden. He starts to care for it and is excited when the garden begins to grow! Watch what happens to Liam's city as more and more gardens start popping up!

#### The Earth Book

By: Todd Parr

This colorful book shares simple and fun ideas for you and your child can work to take care of the earth every day! From using both sides of the paper to reusing old things, this book shares many ideas for how to protect the Earth.

#### Harlem Grown: How One Big Idea Transformed a Neighborhood

By: Tony Hillery

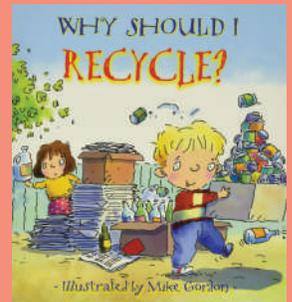

This book tells the inspiring true story about how Mr. Tony and a group of kids at a nearby school transformed a colorless, vacant lot in Harlem into a wonderful community food garden. As you read with your child, talk about how you can make a difference in your own community!

#### Why Should I Recycle?

By: Jen Green

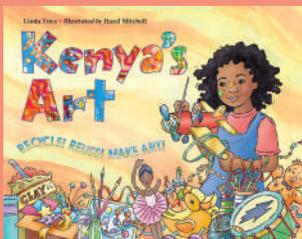

Young children are curious and are always asking "Why?" This book shows kids the importance of recycling, and why we shouldn't just throw things away. What materials can we recycle, and why? Your little one will enjoy learning all about recycling in this fun book.

#### Kenya's Art

By: Linda Trice

Kenya needs to finish a project for school, but she doesn't know what to do. She also needs to do something with all her broken toys. After a trip to the museum with her dad she gets an idea of how she can recycle her toys into brand new art!

### VIDEO

#### Sesame Street: Recycling Challenge | Abby's Amazing Adventures

In this fun installment of Abby's Amazing Adventures, Abby and Rudy show kindness to the earth by recycling! From learning about what recycling is, to sorting paper, plastic, and glass, your little one will enjoy learning about how to recycle at home. Watch the video [here](#).
