

# BUILDING THRIVING FUTURES: FROM PLAYGROUNDS TO PAYCHECKS

When you partner with Heart of Indiana United Way, you are not just investing in programs; you are investing in people—the children who dream of a brighter tomorrow and the adults striving to make those dreams a reality. Your support fuels our efforts to provide comprehensive services that help families to overcome challenges, whether it's through early childhood education, job training programs, or financial literacy initiatives. Together, we are breaking down barriers and building bridges to opportunity, ensuring that no one is left behind on the path to a thriving future.

## Read & Achieve

Literacy is the foundation for success. Through our Read & Achieve programs, you are giving kids the skills they need to excel in school and beyond.

## THRIVE Network

Our THRIVE Network connects adults with job training, financial literacy, and other resources that can help people build successful careers and provide for their families.

## Community Resiliency

We're building stronger communities by supporting families during tough times and you can help them bounce back stronger than ever.

## Equity Advancement

We're committed to advancing equity across our communities by ensuring that everyone has access to the resources and opportunities they need to thrive, regardless of race, gender, or background.

Heart of Indiana  
United Way

So, let's join forces to make a real impact. Together, we can build a community where every kid has a shot at a bright future and every adult has the support they need to succeed. Visit [heartofindiana.org](http://heartofindiana.org) to find out how you can help us turn playground dreams into paycheck realities.

# LEAD THE WAY

## Building Thriving Futures Starts with you.

### GET INVOLVED

**GIVE  
VOLUNTEER  
ADVOCATE**

## Help turn playground dreams into paycheck realities.

### Your \$50 gift helps build Community Resilience

Your \$50 donation helps a family secure health insurance, ensuring children receive early health interventions for better school success and adults receive protection from high medical costs, fewer work absences, and free preventative checks.

### Your \$100 gift helps people THRIVE

Your \$100 donation equips THRIVE coaches with essential resources, training, and technology, enabling them to provide vital coaching support to strengthen the financial stability of our community.

### Your \$200 gift helps children Read & Achieve

Your \$200 donation promotes early learning by creating 30 take-home lit kits, each containing a new book and activity materials, fostering literacy and a love of reading in young children.

### Make your gift go even further with Gift Matching opportunities.

Increase Your Impact: If you give more than you did last year, every additional dollar will be matched \$1 for \$1. Your commitment to our mission can go even further!
